WORDS OF WELCOME FROM THE HOST & ORGANISERS

Welcome to the
German International School
Cape Town & the DSK Bazaar
2026!

For generations, the DSK Bazaar has been a cherished part of our school's story, with the very first event dating back to 1884. This much-loved, parent-led tradition brings families, friends and the wider Cape Town community together to reconnect, celebrate and create lasting memories.

On 6 and 7 November, our campus will once again come alive with authentic German food, live music, market stalls, children's activities and fun for all ages. This year, we are delighted to welcome Heart FM as our radio partner for the first time, joining us on Friday and Saturday afternoon with a presenter and live broadcast.

While the DSK Bazaar is one of the most anticipated highlights of our school calendar, it is also our biggest fundraising event. All proceeds directly benefit our learners, supporting new projects, improved facilities and assistance for those in need. Your support helps us make a difference that lasts well beyond the weekend.

What makes the DSK Bazaar special is the people behind it. Parents, teachers, staff and learners give their time, energy and care to turn our school into a place of celebration. Our sponsors, donors and partners make this possible through their generosity and commitment to our community. To every one of you, a heartfelt thank you/ ein großes Dankeschön!

We are also deeply grateful for our close and trusted partnership with the German Consulate General Cape Town, whose continued support enriches school life and community events such as the DSK Bazaar.

Thank you for being part of this tradition and helping carry it forward. We wish you a wonderful weekend with great food, good music and plenty of fun together.

Yours sincerely,
Sabrina Gellermann (DSK Principal) & Iris Henkel (DSK Bazaar 2026 Project Lead)

Alumni Bar & Art Gallery

Another highlight at this year's Bazaar is our Alumni Bar and Art Gallery, opening on Friday afternoon. Located opposite the Christmas House, it's a relaxed meeting place for former learners, teachers, staff and parents to reconnect, catch up and enjoy a drink away from the hustle and bustle of the Bazaar.

You'll also have the opportunity to meet our Alumni Coordinator, Ursula Wellmann, who will be sharing exciting new ideas for the DSK Alumni Network.

"THE ARTISTS GALLERY" in the Alumni Bar

The Alumni Bar also hosts a beautiful art exhibition by The Artists Gallery, showcasing works by local artists. Take your time browsing the artworks and enjoy a drink in good company. All exhibited artworks are available for purchase.

Established three and a half years ago, The Artists Gallery quickly made its mark on Cape Town's art scene. Located at 34 Bree Street and co-owned and managed by artists, the gallery represents over 20 artists from South Africa, bringing together a wide variety of subjects, techniques and creative perspectives. Art that inspires!

From expressive portraits and vibrant landscapes to abstract paintings and sculpture, the gallery offers accessible contemporary art for first-time buyers and established collectors alike.
At the DSK Bazaar 2026, The Artists Gallery will present a selection of artists and artworks, inviting visitors to discover the stories behind the work and perhaps find a piece to take home.

Sara Gaqa
Sara Gaqa's layered paintings explore connection, longing and the search for meaning. Expressive gazes, rich textures and fragments of poetry invite viewers into a personal encounter, revealing new possibilities with each closer look.

SUSTAINABILITY & WASTE MANAGEMENT

The DSK Bazaar 2026 is again committed to making the event even more sustainable through clear waste separation systems, reusable event glasses, and reduced single-use packaging.

Visitors are encouraged to bring refillable water bottles and use the free refill stations around the school grounds.

With our Waste Management system we have several eco-friendly measures in place to reduce waste and make our event greener.

Beer & Wine Glass Concept

Drinks will be served in special DSK Bazaar event glasses. Please note, there are no deposits! You will buy a glass with your first drink and take it home after the festivities. Alternatively, bring your event glass from previous years when you order your first drink.

Plates & Cutlery

Many stalls will use hired plates and cutlery instead of disposable options.

Less Take-Away Containers

Stallholders are encouraged to minimize disposable packaging or bring your own if you would like to buy some food to take home.

Free Water Fountain Refill Stations

Bring your own bottle and refill for free during the event (see Event Map).

Together, these steps help us create a cleaner, greener Bazaar. Thank you for supporting our eco-friendly efforts and a big thank you to our partner Plant a Seed who will separate the waste afterwards and gives us a full waste report.

THANK YOU TO OUR SCHOOL COMMUNITY!

The DSK Bazaar is a true team effort. It wouldn't be possible without the incredible support of our whole school community: Our parents, learners, teachers and staff!

The Bazaar has been part of our school for many generations and is a much-loved, parent-led tradition. It celebrates the DSK's strong sense of community and culture, while also serving as the school's biggest fundraising event.

Your time, energy, and dedication – from planning and preparing, to baking, cooking, crafting, performing, and helping wherever needed – is what makes the DSK Bazaar so special.

Every helping hand and every idea adds to the vibrant atmosphere that defines this spectacular event.

Thank you once again for helping to bring the DSK Bazaar 2026 to life.

We wish everyone a wonderful and successful Bazaar weekend!
